Himanshu Vyapak

Managing Director

Education at FinX Institute is about learning, exploring, and growing. We combine academic excellence with real-world exposure, industry insights, and innovation to create confident, adaptable, and future-ready professionals. Our experiential approach includes projects, internships, and interactive sessions that bridge theory and practice. Step into a journey that equips you to lead, innovate, and make a meaningful difference in your career and society.

Nisha Shah

Director

At FinX Institute, we believe education goes beyond textbooks. Our focus is on holistic development, nurturing technical skills, leadership abilities, and a mindset for innovation. Students gain academic knowledge as well as real-world experience through projects, internships, and industry interactions. We prepare young minds to be confident, adaptable, and industry-ready, ready to take on challenges and make a meaningful impact in their careers and society.

Nikunj Sharma

Director, Head - Trainings & Financial Awareness

Through the expertise of our faculty, the commitment of our staff, and strong industry collaborations, we at FinX foster an environment that nurtures talent and ambition. We empower students to grow into confident, competent, and industry-ready professionals, equipped with the skills and mindset needed for lasting success. We invite you to discover the opportunities at FinX Institute and how we prepare students to achieve their fullest potential.

Rakesh Nair

Head Academics

At FinX Institute, we are committed to shaping professionals who combine strong analytical skills with ethical leadership and practical industry understanding. Our programs are designed to provide students with hands-on knowledge, adaptability, and confidence to thrive in today's dynamic financial and analytical environment. We foster close engagement with the corporate world to enhance learning and professional growth. We invite aspiring students to explore our programs and join a community that prepares future leaders to make an impact and drive success.

STUDENT EVENTS

STOCK TORERO

Tame the Bull is a national-level live trading competition by FinX Institute (formerly BSE Institute) that simulates real stock market conditions. Students trade in a dynamic environment influenced by mock news and market movements, gaining hands-on experience of real-world trading. The event helps young minds develop and showcase trading, analytical, and decision-making skills in a competitive setting.

TORQUE

Torque at FinX Institute is a grand celebration of student achievements. Graduates are honored with degrees, awards, and certificates, and share their experiences through heartfelt speeches. The evening features cultural performances and the Alumni Meet, creating a perfect blend of nostalgia, recognition, and celebration.

DALAL STREET *LIT FEST*

LIT fest: Dalal Street LIT Fest was a unique cultural event, bringing together finance, literature, and art. With water conservation as its central theme, the fest featured thought leaders, authors, and artists to raise awareness on sustainable water management through engaging discussions and creative expressions. Attendees enjoyed performances, art installations, and interactive activities, making it an inspiring celebration of ideas and creativity.

CONVOCATION

The convocation celebrates the achievements of students, with certificates, trophies, and degrees awarded for their academic journey. The ceremony is followed by cultural performances and heartfelt student speeches. The evening also hosts the Alumni Meet, creating a memorable blend of recognition, nostalgia, and celebration.

Speakers from across India continue to share their wisdom and insights, shaping our students' academic and professional growth. Their diverse perspectives consistently inspire young minds and broaden horizons with every session.
